SERVICE OF ANOINTING - Sunday 12th May at 3.00pm

During Eastertide, when we celebrate the life-giving power of the Risen Lord, it is appropriate that we celebrate the power given to the Church in the Sacrament of Anointing for the Sick. I warmly invite all those who are able to come to the Service of Anointing this Sunday afternoon, **12th May, Ascension Day, at 3.00pm**. All those who live with incapacitating illness or who, over the years, have gradually become restricted in what they can do, are invited to come to receive the Sacrament of God's healing. All those parishioners, also, who for whatever reason feel the need of the support and strength given by the Sacrament are welcome to be anointed at this service. I would encourage all those who are well to come and support our sick brothers and sisters. The parish Eucharistic Ministers are arranging tea and refreshments afterwards. The parish is grateful for their ministry. **Fr. Peter.**

WORLD COMMUNICATIONS DAY, 12th May, Ascension Day

On World Communications Day we are asked to keep those who work in the media in our prayers. The Catholic Communications Network provides communications support for the bishops of England and Wales, both individually and collectively, the Holy See and the Church more widely, in promoting the Gospel through the media on a variety of different levels. CCN works with the media on a daily basis to ensure the best possible coverage of current issues which have relevance for the Catholic faith. It is entirely funded through annual donations from the Catholic parishes of England and Wales. If you would like to support the work of CCN there will be a basket for your donation in the Narthex this weekend, 11th/12th May. There are also prayer cards available in the Narthex. Please help yourself to one if you wish.

CONNECT to ETHIOPIA - latest news!

The project in Beira - helping the villagers to create an adequate & sustainable water supply - has been successfully completed and Cafod is now CONNECTING to SEBEYA. Sebaya is a small village in the dry, arid north of Ethiopia, badly scarred by the war with Eritrea. Shortage of food is the greatest challenge as it doesn't rain enough to grow crops so the needs of this small, largely Catholic community are immense. A new display is being set up on the CAFOD notice board in the narthex to introduce this new project - please try to spare a few minutes to have a look.

PARISH OFFICE

Sarah will be on holiday from this coming Monday, 13th May, for two weeks. She will be back in the Parish Office on Tuesday 28th May. If you have need to speak to Fr. Peter please phone as usual, but not if it is for regular parish business which can wait until her return! Thank you.
