### PARISH LUNCH - a date for your diaries

**Sunday 20th May at The Britannia Inn, Par**

This year it has been decided to depart from the well established tradition of holding our annual Parish Lunch on the last Sunday before Lent. The month of May, with Spring well under way, our Lenten observances safely accomplished and having entered into the joy of Easter, seems a very appropriate time to celebrate our appreciation of all our parish community offers us. Please put this date in your diaries. Any feedback about change of date, venue etc, either before or after the meal takes place, would be most welcome.

## WHITE FLOWER APPEAL

Thank you to all who gave a donation to the Annual White Flower Appeal last weekend. Your generosity has raised £214.36 to support the work of the Society for the Protection of Unborn Children (SPUC) which is currently campaigning to stop the decriminalisation of abortion, which means taking abortion outside the law

If you are interested, please bring along your own project, if any, being work on at the moment. We can all share our ideas. No banners are planned at present, but the preparation of Baptismal Collars is an ongoing sewing project. Our first meeting is arranged for **Tuesday 13th February**, which happens to be Shrove Tuesday. If you have any queries please ring 01726 61211. I look forward to seeing you.

The main part of the event will take place at the Liverpool Echo Arena on Saturday 8th September and each Diocese has a number of places reserved for this. St Augustine's has been allocated 3 delegate places. If you would like to be considered to represent St Augustine's at this historic Congress please let Fr Peter know by the end of March. ## COGITAMENTA

“Once a person learns to read the signs of love and thus to believe it, love leads him into the open field wherein he himself can love. If the prodigal son had not believed that the father's love was already waiting for him, he would not have been able to make the journey home - even if his father's love welcomes him in a way he would never have dreamed of. The decisive thing is that the sinner has heard of a love that could be, and really is, there for him; he is not the one who has to bring himself into line with God; God has always seen in him, the loveless sinner, a beloved child and has looked upon him and conferred dignity upon him in the light of this love”
